

How To Find Us - SPECIALISTS

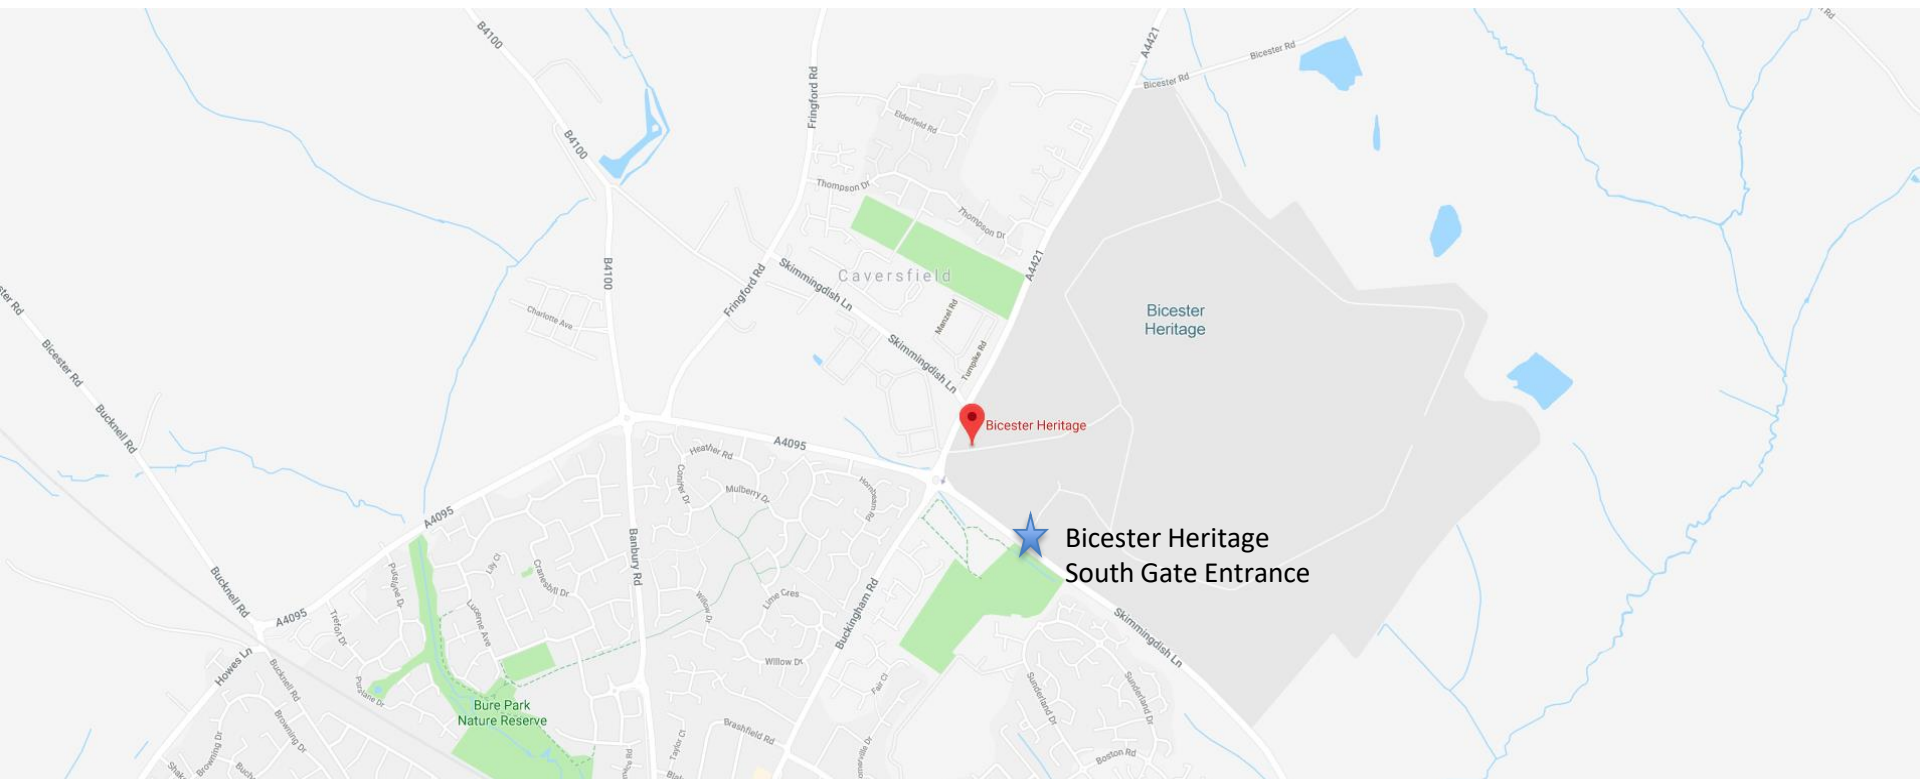

2018

Our offices are located at:

**Bicester Heritage
Skimmingdish Lane
Bicester, Oxon
OX26 5HA**

*Please enter the above post code in to your satellite navigation,
which will bring you to our temporary South Gate Entrance on
Skimmingdish Lane*

South - Bicester Town Centre

Take the A4421 (Buckingham Road) North East out of town. Go straight on at the mini roundabouts, past Bicester North railway station (under the bridge) past a speed camera until you get to the first big roundabout on the Bicester Ring Road. Take the third exit on to Skimmingdish Lane, Bicester Heritage South Gate entrance is located approx. 150 yards on the left hand side.

East - A41 from Aylesbury

At the first roundabout, take the 3rd exit onto the A4421 (Bicester Ring Road) towards Buckingham. Stay on this road going straight ahead at the next two roundabouts. At the 3rd roundabout turn left. At the next roundabout, turn right onto Skimmingdish Lane (still A4421) signposted to Buckingham and follow this road up until you see the South Gate entrance on your right hand side.

North East - A4421 from Buckingham, Milton Keynes & Northampton

Follow the A4421 South West to Bicester driving past the old Bicester Heritage Main Gate entrance. At the roundabout, take the first exit in to Skimmingdish Lane. The South Gate entrance is located approx. 150 yards on the left hand side.

At the South Gate Entrance

Please press the button of the Specialist that you require followed by the call button and they will activate the barrier remotely.

Once the barrier is open, you will need to drive past Hangar 137 (on your left) and head straight on towards the Tanker Sheds where you reach another gate - the Specialist will pass you the code for the gate over the phone once you arrive at the barrier. **Please note that aircrafts have the right of way over cars so please be vigilant of aircrafts crossing the road to access the airfield from Hangar 137.**

If the specialist is unavailable to open the barrier for you, please press F1 to cancel the call and redial the 'Bicester Heritage' button No.1 followed by the call button and they will activate the barrier remotely and pass you the code for the second gate.
